

The Four

“Less is more”

the **Four**

The new 4 batten sail that saves weight and is designed to create a more compact outline .

PROGRAM

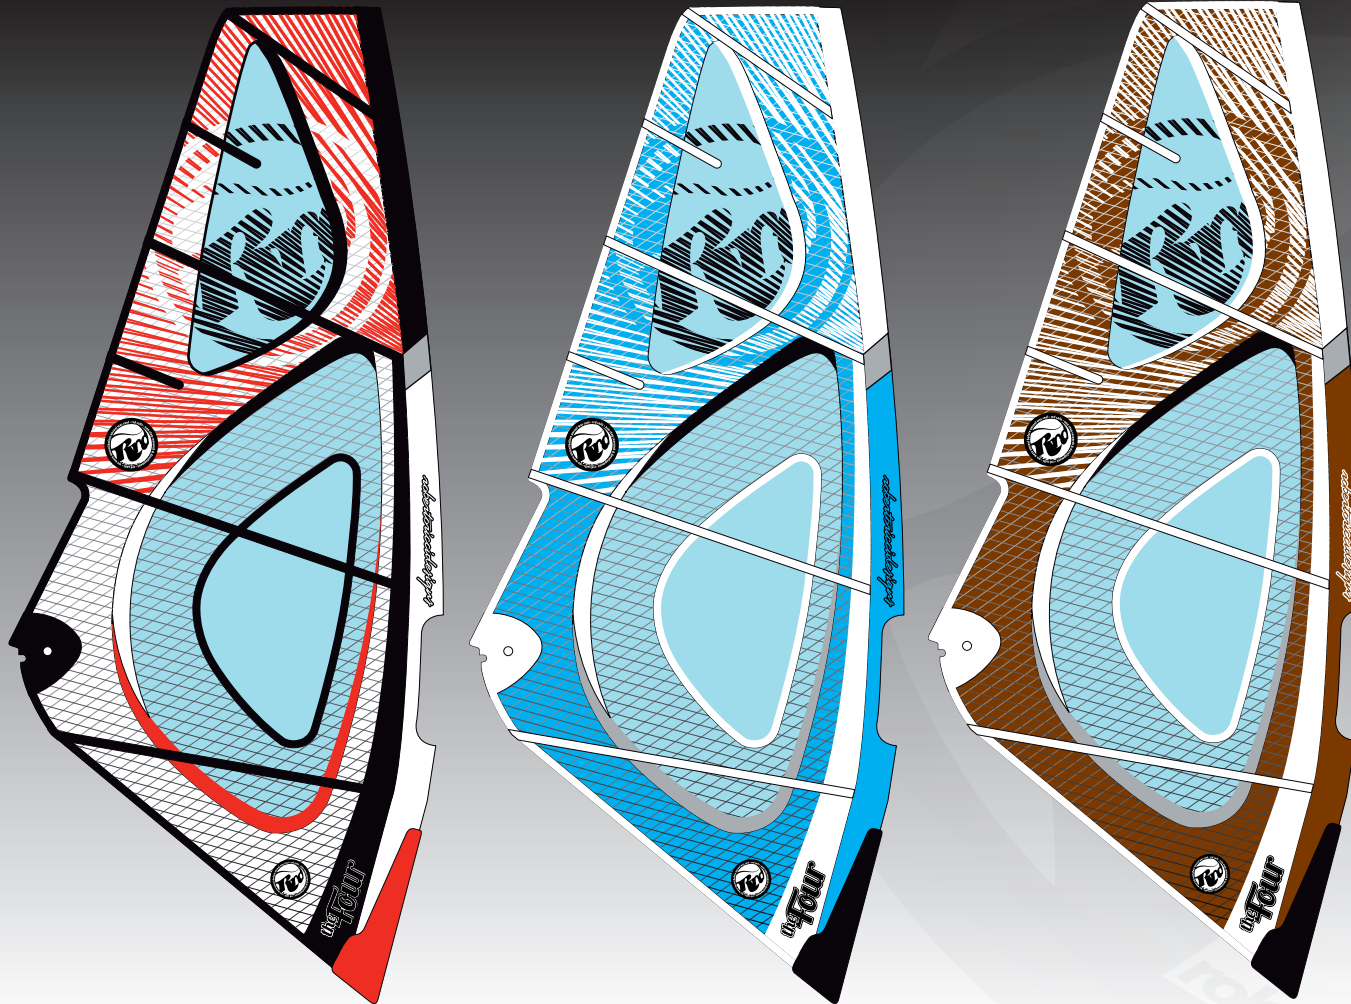

Wave

FEATURES

Creating a more compact wave sail that would allow more lighter feel when under-powered , as well as a rig that feel more balanced , alive , powerful and comfortable, synonymous of more potential for aerial manouvers in control.

TECHNOLOGY

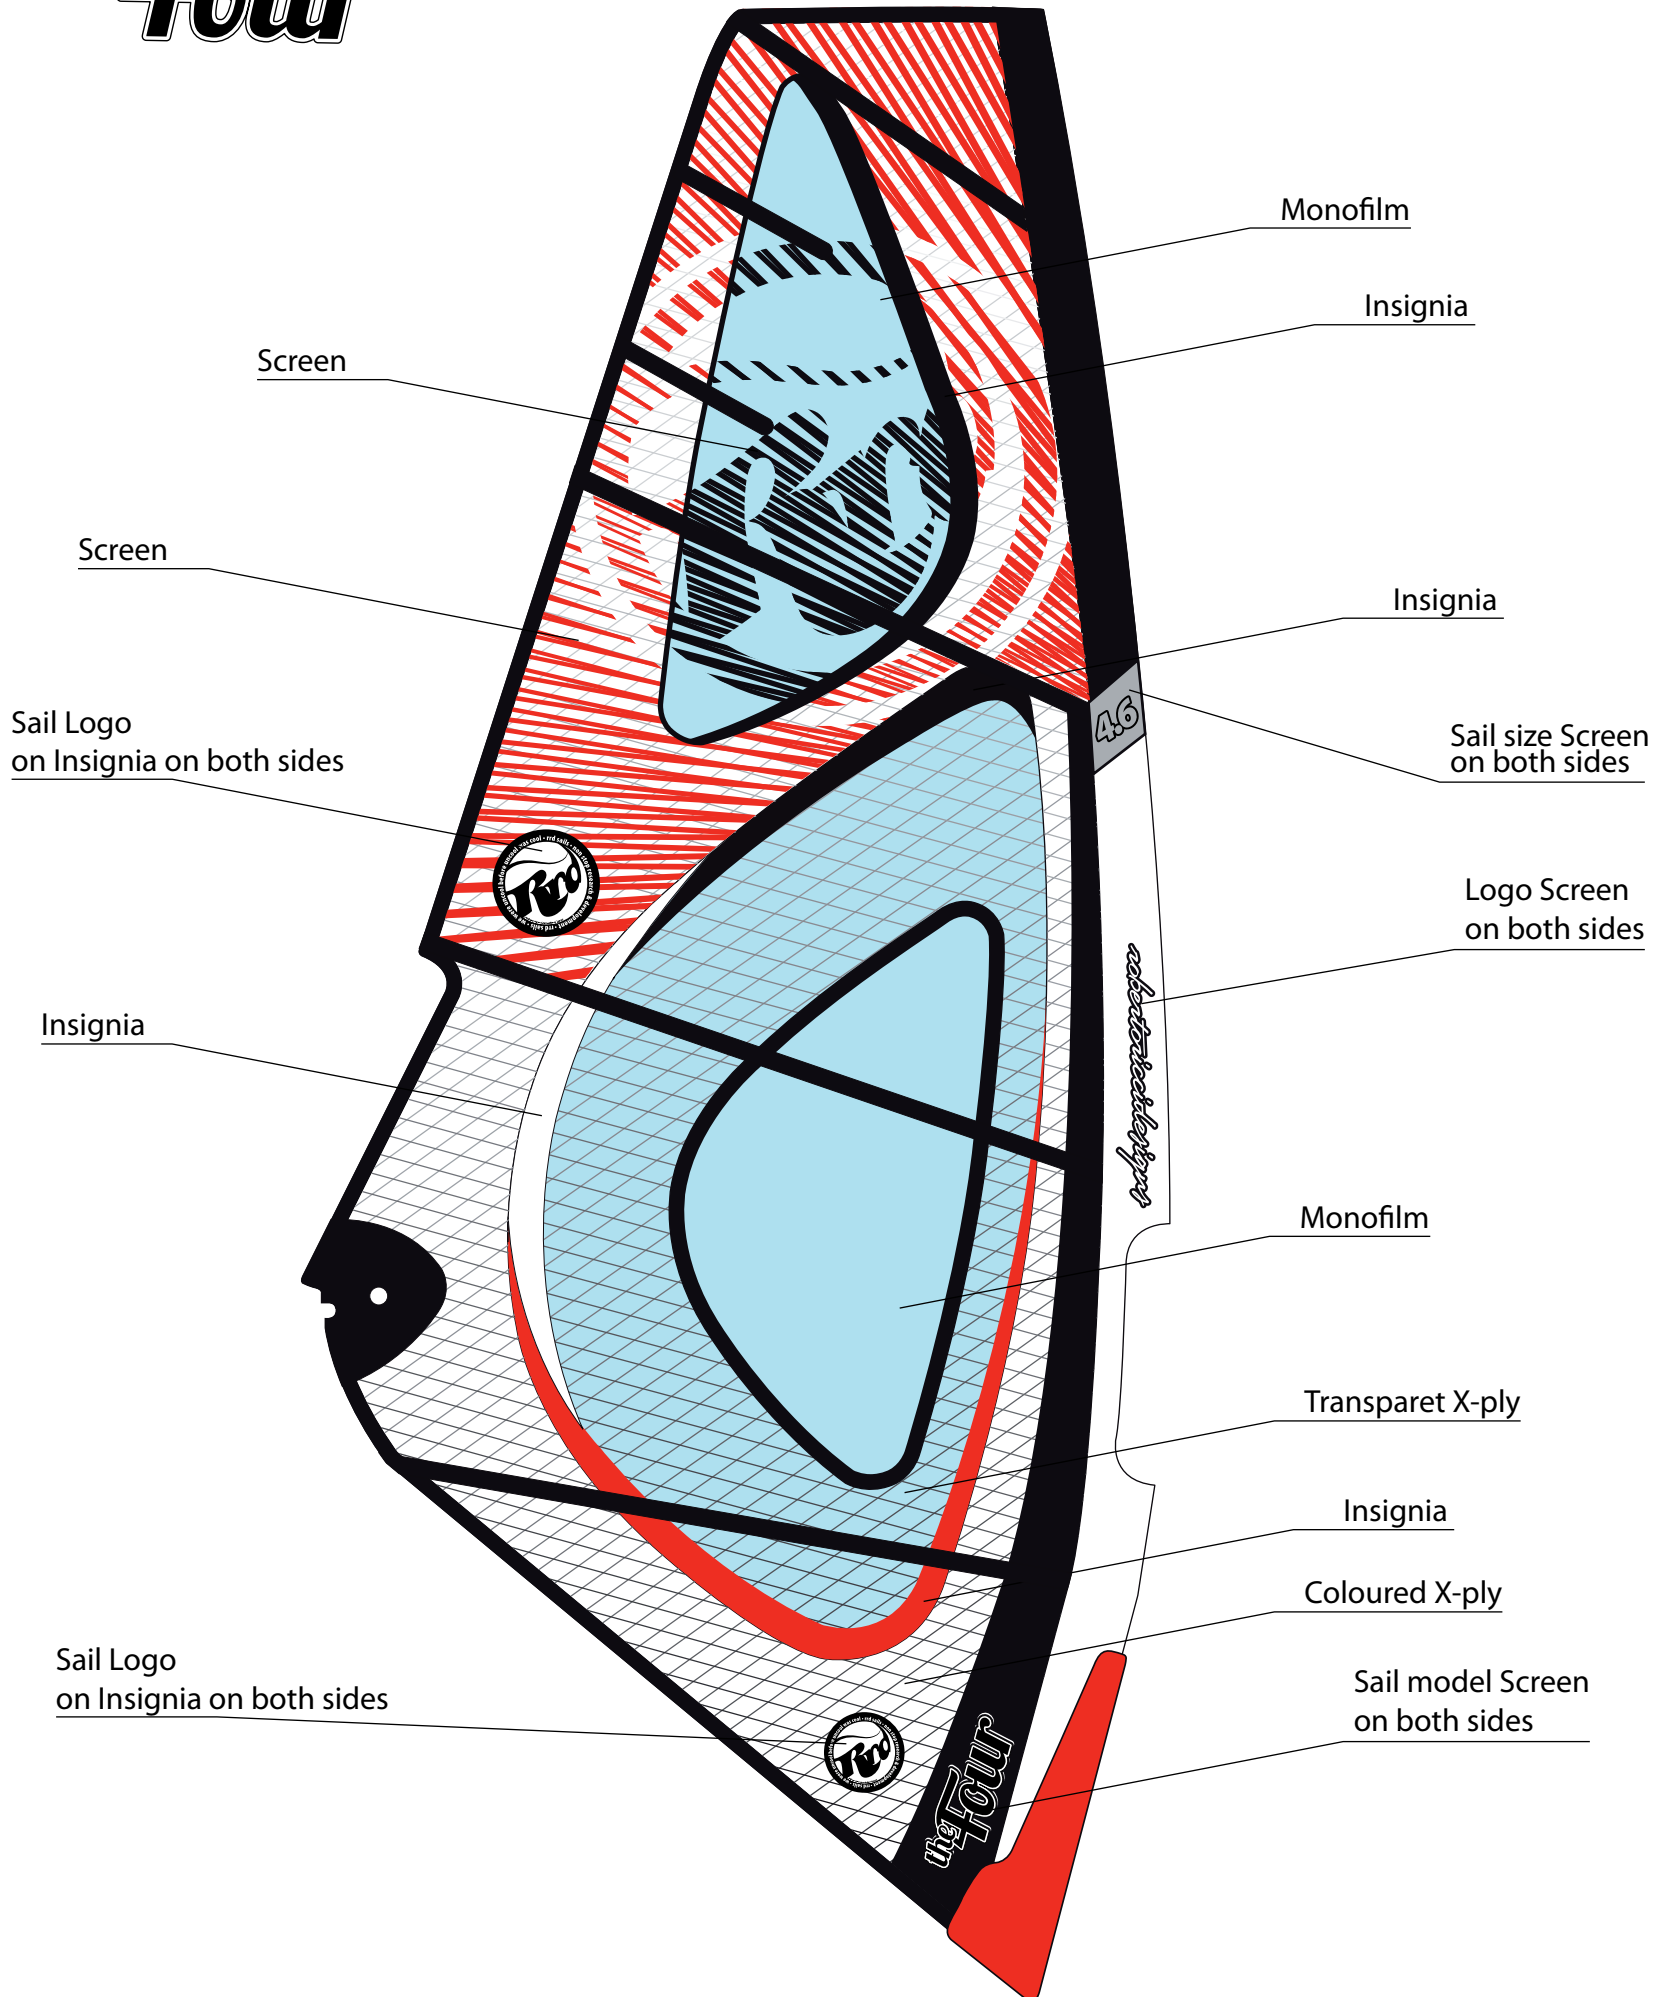

The base construction is the same of the epic wave Vogue. Full X.ply body with 3 different weight depending on the area of the sail. A slightly longer boom and a very short mast, will allow “The Four” wave sail to excel in all conditions, both side and onshore, as long as there are waves. . . Pure light and free feel. . .
