

WASSUP EPX

“Windsurf AS SUP”

WASSUP stands for Windsurf AS SUP. This is what we call the water bike for future generations. The WASSUP line is composed of 4 different shapes to cover all possible rider's uses. All boards are great windsurf boards and are also available in a Convertible version, with a removable center fin to be able to sail upwind in light air.

Technology:

The WASSUP line is built in EPX heavy duty, full double stringer epoxy glass technology for sizes 11", 10" and 8'5"

WASSUP Eight Five Stinger EPX

31" wide!!! Stable and easy to ride for all levels. With the same riding characteristics as the Ten Stinger, the Eight Five Stinger is a revolutionary size. Small, compact and easy enough to be paddled by a beginner, this is the first SUP to fit inside a station wagon!!! Try it as a windsurf board and you will love it. Some schools have been using this board even as a super light wind kiteboard that planes in 6 knots. Believe it!

WASSUP 10'0" EPX

Size (in Inches): 8'5" x 31" x 4 1/2"
Fins: 9.0" Single Dolphin Black Polyester (US)
+ G-5 Smoke Asymmetrical DFS Box

WASSUP 10'0" Convertible EPX

Size (in Inches): 10' x 31" x 4 1/2"
Fins: 9.0" Single Dolphin Black Polyester (US)
+ Center Fin 38 cm
+ Powerbox Plug (PowerBox)

WASSUP Ten Stinger EPX

Still 31" wide!!! Stable and easy to ride for all levels. The special stinger outline drastically reduces the wetted surface behind the standing area, allowing the board to be ridden with a better performance level in the waves. This together with a set of thruster fins enhances the turning and planing potential. Equipped with inserts for footstraps, the WASSUP Ten Stinger is a great funboard for any occasion!

WASSUP 11'0" EPX

Size (in Inches): 11' x 31" x 4 1/2"
Fins: 9.5" Single Dolphin Black Polyester (US)

WASSUP 11'0" Convertible EPX

Size (in Inches): 11' x 31" x 4 1/2"
Fins: 9.5" Single Dolphin Black Polyester (US)
+ Center Fin 38 cm
+ Powerbox Plug (PowerBox)

WASSUP Eleven EPX

The base shape of our well-known SUP Eleven introduced in 2009 remains a reference board for entry-level program and a very versatile shape both for flat water and waves. Well balanced and stable thanks to its 31" of width, the WASSUP Eleven is the board for everyone.
